Walla Walla County Case Update
Reminder to Stay Home, Stay Healthy, Keep our Community Safe

Walla Walla, WA - Walla Walla County health officials are reporting 2 additional cases from the weekend and 2 from today, bringing Walla Walla County's case count to 122, as of 3:00 PM today.

Case Overview:

- Confirmed Cases: 122
- Recovered: 108
- Deaths: 3
- Active: 11
 - Home Isolation: 11
 - Hospitalized: 0

Case counts are subject to change as new cases go through case investigation and tracing. More information about cases, including community of residence, age and gender, can be found on the Walla Walla County Department of Community Health (DCH) [website](#).

A local resident, who previously tested positive and was released from isolation and considered recovered, passed away out of county on June 12, due to COVID-19 related complications. The resident was a gentleman in his 50s with underlying health conditions. We wish to express our sympathy to his family and friends during this difficult time.

Walla Walla County is currently in Phase 2 of Governor Inslee's 'Safe Start' plan. Additional information regarding the 'Safe Start' plan can be found on the Governor's [website](#).
